CYRIL RODRIGUEZ

COMPUTER SCIENCE STUDENT · +63 991 730 7889 · CYRIL05200013@GMAIL.COM

SKILLS

HTML · CSS · JavaScript · PHP · SQL · Python · MariaDB · Tkinter · Pillow · Excel

PERSONAL SKILLS

Accuracy to Detail · Problem Solving · Teamwork · Time Management · Organization · Adaptability

EDUCATION

BS Computer Science (3rd Year)
De La Salle Araneta University · 2024 - Present

Senior High School, STEM
La Consolacion University of the Philippines · 2022 - 2024

Junior High School (Grades 6-10)
Our Lady of Fatima University · 2017 - 2022

PROFESSIONAL SUMMARY

Third-year Computer Science student with a strong interest in technology, problem-solving, and continuous learning. Experienced in web development, database design, and Python application development through academic and personal projects. Eager to contribute to real-world projects, grow my skills, and make a positive impact in the field of technology.

PROJECTS

Zark's Burgers Self-Service Kiosk
Python · Tkinter · Pillow

- Developed a Python-based self-service ordering kiosk with a visual menu, cart management, order calculations, cash payment handling, and receipt generation.
- Built as a personal/academic project (not publicly deployed).

DLSAU Enrollment Management System
PHP · HTML · CSS · MariaDB · SQL

- Contributed to a student and administrator system for subject enlistment, class schedules, curriculum tracking, grades, and account statements.
- Built as a group academic project (not publicly deployed).

Personal Portfolio Website
HTML · CSS · JavaScript

- Created a portfolio to showcase projects, skills, certificates, and leadership experience.
- Implemented responsive design, project details, and light/dark mode.
- Built as a personal project (not publicly deployed).

LEADERSHIP & INVOLVEMENT

Auditor
1st - 3rd Year
Junior Philippine Computer Society (JPCS)

- Conducted financial and membership audits.
- Supported organizational events and activities.
- Demonstrated consistency and commitment for three consecutive years.
